

Yaron Benzvi, GM of Surety, Tinubu

Yaron joined Tinubu in June 2024, overseeing Tinubu's global Surety activity as General Manager. His mission is to continuously provide innovative solutions to customers and deliver exceptional value. Yaron has over 15 years of experience in building and scaling fintech and insurtech businesses, driving digital transformation and operational excellence. His extensive background includes leading significant product and technology initiatives in both large enterprises (MassMutual) and early-stage ventures (Haven Life, Oka, the Carbon Insurance Company, and GoalMine). Yaron holds an MBA from The Wharton School and is a graduate of Wesleyan University..
