Should you be looking to increase business with your existing clients?

1

2

If so, do you need to have a more accurate view of your client risk?

3

Has the Covid crisis forced you to try and identify new opportunities?

4

Does your business require a more flexible solution to support your credit teams and procedures?

5

Perhaps you need a personalized risk strategy to make the best decisions?

If you answered **yes** to any of these questions, your next step should be to contact Tinubu Square to find out how you can benefit from our expertise in risk assessment.

Tinubu Square's International Risk Teams provide expertise in all areas of credit risk assessment:

- Risk Underwriting service: a credit risk assessment service providing comprehensive credit risk underwriting decisions, monitoring and reports within the shortest time possible.
- Risk Analyst service: a credit risk assessment service providing credit risk assessment, recommendations and monitoring as quickly as possible.
